

# Ceredigion Junior Local Safeguarding Children's Board

## Bulletin 2

- Our second meeting took place on the 16th September 2014 at RAY Ceredigion, Aberaeron.
- 5 young people aged between 11 and 18 attended from all over Ceredigion
- Louis from Choices came to talk to us about alcohol and drugs. It was really interesting and we all had the chance to ask questions. Louis told us about the Choices bus that will be going around Ceredigion schools next year.
- We talked about a name for the board and having a logo. We decided that we should choose a name before designing a logo. Here are some of the suggestions we came up with :

Peace /  
Heddwch

Star Protection / Seren Diogelu

Safe stars /  
Seren saff

- We played little get to know each other games, as we all come from different schools, and had not met before.
- We decided that we didn't want a guest speaker at every meeting, we thought every other meeting would be enough. We decided the next meeting would have a Christmas theme.
- We ended the meeting with some chips and a chat about the next meeting.
